Jan Frankel Schau: Problem-solver, mediator, author, ally.

Specializing in employment, business and torts, Ms. Schau is one of the most effective, trusted and experienced mediators in Southern California. In the past 15 years, she has resolved over 1,200 cases. A panel member with ADR Services, she is persistent, insightful and an ally who gets even the most challenging cases settled in a single day.

Jan Frankel Schau began her ADR practice after 20 years as a litigator. In 2000, she won a neighbor dispute case she did not expect to win and lost a disability discrimination case she did not expect to lose. Following the events of 9/11, Jan fully committed herself to alternative dispute resolution. Since then, she has studied, taught and practiced ADR and firmly believes in the power and grace which mediation offers.

Respected by both Plaintiff and Defense, Ms. Schau has also been recognized by her peers for her leadership, serving as President of The Southern California Mediation Association and as a member of the Board

of the highly selective International Academy of Mediators, in which she is a Distinguished Fellow. She is a popular lecturer and Adjunct Faculty at the Straus Institute for Dispute Resolution at Pepperdine University School of Law. Jan has served as Chair of the Labor and Employment Section of the Beverly Hills Bar.

Jan serves as an Arbitrator on the AAA commercial and employment panel and as a neutral for Kaiser Permanente as well as a civil service hearing officer for various governmental entities.

Jan was proud to be named as a Top 50 neutral by the Daily Journal in 2013.

Schau is an avid writer, contributing numerous articles to leading legal publications. Her book, "View from the Middle of the Road: a mediator's perspective on life, conflict and human interaction" is available on amazon.com.
